MERCHANT PLUMBER

Smooth Grip Pipe Vise

FOR BRASS AND POLISHED PIPE
AS WELL AS IRON

SELF-LOCKING
CANT SLIP

*Patented in the
United States
and
Canada*

The Smoothgrip is quick and simple to operate. Just push handle down to close, and lift up to open.

It is very easy to adjust and jaws can be removed and others inserted in a few seconds.

Can be used in either horizontal or vertical position.

Without brass jaws vise fits 1" and 1¼" iron size pipe. Supplied always with one pair of jaws. Extra jaws make it available for all sizes from the smallest to 1¼".
